

Currency Remix Project Rubric

Originality

10	14	17	20
Graphics/design do not demonstrate any original thought or creativity	Graphics/design used by the student, but are based on the designs or ideas of others and don't demonstrate original ideas	Graphics/design used reflect student creativity in their creation and/or display	Graphics/design are used effectively and have strong impact on the total design

Craftsmanship/technical skills

10	14	17	20
Imperfections in the graphics are noticeable and distracting. Student has attempted to use the tools/functions of the programs, but is unable to complete necessary steps and/or cannot pinpoint trouble spots	Graphics/designs have imperfections that create minor distractions. Student's work is competent, with some evidence of knowledge. Student may be unable to recreate the necessary steps independently.	Graphics/design may have slight imperfections, but are not immediately obvious. Student has provided evidence of competency with tools, techniques and the necessary steps to complete a task.	Graphics/design have no imperfections. It is clean and neat. Student's mastery of software tools and techniques is efficient and professional.

Composition and clarity

10	14	17	20
Composition is distracting and cluttered or devoid of necessary elements. Graphics fail to convey the message of the design project. There may be a lack of understanding by poor sizing or placement.	Composition is acceptably attractive though it may be disorganized and/or does not demonstrate a clear understanding of layout/composition. Many graphics are focused on the message, but could have been used more effectively.	Composition is attractive in terms of design/layout and neatness and demonstrates an understanding of placement and sizing. Most graphics are used and generally have an impact on the message of the design.	Composition is exceptionally attractive in terms of design, layout, neatness, sizing, and placement. Graphics used effectively and have a strong impact on the total design.

Followed Directions

10	14	17	20
Assignment instructions were not followed. Work was not turned in by the deadline.	Assignment instructions were somewhat followed. Work was turned in but was not complete and/or was late.	Assignment instructions were mostly followed. Work was complete and turned in on time or a day late.	Student followed all instructions and turned everything in on time.
