

# OS Comparison & Contrast

**Directions:** Research Windows 8, Windows 10 and the latest Mac OS.

Use your notes to find similarities, commonalities, and differences between all 3.

Construct a 3 circle/square Venn Diagram to demonstrate your understanding of the topics.

Make sure your Diagram includes the following:

- Each section of the diagram includes at least 4 facts
- Content is linked together accurately and the intersecting sections are appropriate
- The diagram includes correct labeling and all sections are easily understood.
