

DIGITAL CITIZENSHIP PROJECT

Directions:

- Select one of the topics listed below to create an animated story for younger students (ages 8-12).
- Select a Web 2.0 tool such as ZooBurst (a 3D storytelling animation software) to tell and illustrate your story.

Topics:

- Importance of Internet Safety
- Basic terminology: Example: social networking, podcasting, twitter
- Digital Etiquette
- Online rules & behavior: blogs, cell phones, inappropriate content, gaming
- Safety Tips
- Safety Pledges
- Cyberbullying
- Danger of the Internet: Example: real life stories ...
- Your online image: Protecting Your Online Identity and Information/Privacy -- revealing too much content, consequences of unintended audiences viewing their social network profiles
- Passwords
